

Bank of Utah Careers

As a community bank, Bank of Utah has a unique focus.

The money that is put into our Bank stays in our communities.

The relationships we establish with our customers and neighbors are meaningful.

The way we support local businesses is purposeful.

The service we provide is personalized and human, but also offers the innovative technology customers have come to expect.

We do all this together, to help customers and communities flourish. Because when they thrive, we thrive.

Come work with us.

Together, We Live Our Most Important Values

Together, We Are Bank of Utah

At Bank of Utah, banking begins with relationships, with our customers, of course, but with our employees, too. Here, you'll feel valued for who you are and what you do, you'll be encouraged to learn and grow, and perhaps most importantly, you'll fulfill a purpose to help Utah communities flourish and your neighbors achieve a better financial life.

Teamwork is important to us because:

Together, we are Bank of Utah.

Together, we are Utah.

Together, we make a difference.
