

CORPORATE TRUST

As a federally-regulated bank, Bank of Utah is able to provide a broad spectrum of corporate trust services, including escrows, owner trusts, security trusts, indenture trusts, paying agent and collateral agent roles.

Already a leader in providing aircraft trusts, Bank of Utah continues its commitment to expanding its already significant presence in the world of aircraft trustee services. Bank of Utah is growing its trustee business with the goal to become the preferred provider of aircraft trusts in the world.

Contact Us

Owner Trust

Bank of Utah has over 2000 aircraft in owner trusts on the FAA registry alone, and hundreds more on aircraft registries throughout the world.

Security Trust

Bank of Utah has hundreds of aircraft in security trust accounts. Last year, Bank of Utah processed nearly \$20 billion in payments in connection with these accounts.
