

Equipment Loans

We provide financing for all types of equipment, including Equipment Guidance Lines — a pre-approved, non-revolving line of credit for equipment repair and replacement expenses. We can help make sure you have the money you need, when you need it.

**Loans subject to approval. See a commercial loan officer for details.*

Why Choose Bank of Utah for Your Commercial Lending Needs?

Strong

We have a strong balance sheet that provides the stability and resources to support your growth, even during challenging market conditions.

Responsive

We understand that your business moves fast, and we do too. Expect quick answers, flexible solutions and local decision-making.

Creative

We don't just offer cookie-cutter solutions. We think outside the box to develop custom-tailored funding strategies that fuel your goals.
