

## Equipment Loans

We provide financing for all types of equipment, including Equipment Guidance Lines — a pre-approved, non-revolving line of credit for equipment repair and replacement expenses. We can help make sure you have the money you need, when you need it.

*\*Loans subject to approval. See a commercial loan officer for details.*

## Why Choose Bank of Utah for Your Commercial Lending Needs?

### Strong

We have a strong balance sheet that provides the stability and resources to support your growth, even during challenging market conditions.

### Responsive

We understand that your business moves fast, and we do too. Expect quick answers, flexible solutions and local decision-making.

### Creative

We don't just offer cookie-cutter solutions. We think outside the box to develop custom-tailored funding strategies that fuel your goals.
