

Super Saver Certificate of Deposit

My Utah is landscapes that are otherworldly and accounts that are extraordinary.

Looking to save for a specific goal? Bank of Utah's Super Saver CD can help you grow your money. Like traditional CDs, you lock in an interest rate for a specific term, but it's unique in that you can continue to add funds to it.

This allows you to deposit more money as it becomes available to you, and prevents you from spending it once you put it in your account, making it a great way to reach any savings goal — a vacation or a down payment on a home.

The Super Saver CD has a 1-year term. You can even open it in the fall and have it ready for the holidays the following year!

This account can only be opened in our branches.
