

Insured Money Market Business Account

Use this account if you want to preserve access to your funds, and want to earn a higher interest rate on your money.

An Insured Money Market Business account offers six free debits per month. A \$1 transaction fee applies to each additional withdrawal. The following transactions are included in the six free debits: pre-authorized automatic, telephone or e-transfers.

The minimum opening deposit is \$1,000.

[View Rates](#)

Account is free if a balance of \$1,000 or more is maintained. If the balance falls below \$1,000 at any time a \$10/month maintenance fee is charged. Fees could reduce earnings.
