

Foreign Currency Exchange for Business

Do business around with world with Bank of Utah's foreign currency exchange services

In today's world, international business doesn't need to be a foreign task that you go alone. We are available to you for each international service that your company may need. We can help domestic companies requiring international treasury management and wire services send payments internationally. Our goal is to keep your funds safe and secure no matter where they are spent in the world. We can ensure a reliable, convenient and cost-effective way to provide you with the right international service.

Foreign Currency Exchange

With us, you can be sure you are getting the best foreign exchange rate at a safe and convenient location. We buy and sell foreign currencies at all of our Bank of Utah branches. Our experienced staff can ensure a 24-hour turnaround time to get you the currency you need.

Foreign Check Clearing

We allow you to clear checks drawn on banks from a wide range of countries throughout the world. We have the ability to efficiently clear most foreign currency denominated checks, as well as USD checks drawn on foreign banks.

International Payments

Using our international payments process, you are able to send international wires. Whether you are sending a payment one time, or regularly, you can be confident it will arrive safely and in a timely manner.
