

Home Equity Conversion Mortgage (Reverse Mortgage)

A Home Equity Conversion Mortgage (HECM), also known as a reverse mortgage, is a loan which enables seniors to convert equity into tax-free funds¹ or monthly cash flow, eliminate payments on their current mortgage, or purchase a home without monthly mortgage payments.² The loan is insured by the Federal Housing Administration (FHA).

HECM Refinance

The HECM is available as either an adjustable- or fixed-rate loan. The adjustable rate can adjust monthly or annually based on the LIBOR index. The fixed-rate HECM maintains the same interest rate over the life of the loan.
