

Insured Money Market

My Utah is heights with beautiful views and a bank account that supports my changing needs.

When you're hiking, the higher you go, the better the view. It's the same with Bank of Utah's tiered Insured Money Market account: The higher your balance, the more interest you earn, the better your financial outlook is.

And, while our Insured Money Market account elevates your savings, it also allows you to easily access your money should you need it. Get up to 6 fee-free withdrawals per month, via ATM, checks or transfers, just in case you need cash.

This account can only be opened in our branches. Get started by visiting one of our Bank of Utah locations.

View Your Savings Trends

With [My Money Hub](https://www.bankofutah.com/personal/benefits/personal-finance-management), an online banking tool that can help you budget, organize and manage all your finances.

Choose Your Statement Method

With options that include our [eStatement Promise](https://www.bankofutah.com/personal/benefits/estatement-promise) or paper statements

Features

- Open your account with **\$1,000** and **watch your interest rate increase** as your balance grows to the next established level.
- This account has **no service charge fee if a balance of \$1,000 is maintained daily** If the daily balance falls below \$1,000 any day during the statement cycle, you will still earn interest, but a \$10 service charge fee will be charged. This could reduce your earnings.
- **Make as many deposits per month** as you'd like.

- **Make up to 6, fee-free withdrawals** from the account per month.
- An **activity fee** of \$1.00 will be charged for each withdrawal you make in excess of 6 during a month.
- Get **one box of checks free** annually.
