Personal Savings Accounts

At Bank of Utah, we make saving simple with two options tailored to your needs.

For everyday savings, the **I Save account** offers unlimited withdrawals, competitive interest that grows with your balance, and financial tools to help you reach your goals. You can open your I Save account safely online in as few as 5 minutes, or visit a branch for a Children's I Save account.

For those with a larger balance — $25,000 or more — the **My Money Market** account provides competitive rates and flexible access to funds, ideal if you're focused on growth with the option to make limited withdrawals when needed.
