Online Banking

Looking for a way to streamline the management of your money? Look no further than Bank of Utah's innovative digital banking platform. With online and mobile banking you now have access to many useful features to save you time and money.

Mobile Banking

Times have changed and banking on the go is no longer the way of the future - it is the way of now. Utilize Bank of Utah's innovative mobile banking platform to access your money how you want and when you want.

Mobile Check Deposit

Liberate your time and save an extra trip by depositing your checks on the go with Mobile Check Deposit!

eStatement Promise

Bank of Utah's eStatement Promise guarantees that your account statements will be available electronically, and free, for seven years, even if you've closed your account.

Online Bill Pay

Online Bill Pay is a free service that provides an effortless way to pay your bills—on time, automatically, without stamps or trips to the post office.

Digital Wallet

Digital wallets safely link debit and credit cards to mobile payment apps. Here's how digital wallets work, a list of their benefits and Bank of Utah's options.

Zelle!

Zelle is a convenient way to send money using your mobile banking app or online banking account.

External Transfers

With Bank of Utah's external transfer service, you can move your money to and from accounts at different financial institutions.

- **Online Banking's Personal Finance Management (My Money Hub)**

Get a financial 'snapshot' of all your accounts at Bank of Utah and other financial institutions—including checking, loans, reward points and retirement accounts—in one convenient screen.

- **Contactless Debit Cards**

Make secure, easy payments with a contactless debit card from Bank of Utah.
Just tap to pay.

- **Customize Your Debit Card**

Put more than groceries on your debit card! Personalize it with our interactive portal!

- **Internet Financial Security**

One of our most important responsibilities is keeping your financial information highly secure and confidential, including Online and Mobile Banking.

- **CardValet - Lock, Unlock And Control Your Debit Card With Your Phone**

Take control of your debit card with CardValet®. This mobile app allows you to manage your debit card usage and get real-time alerts right from your smartphone or tablet, at home or on the go!

- **CardSwap - Update All of Your Cards in One Place!**

Update expired credit and debit cards that you have with online shopping accounts in one place, one time.

- **Identity Theft Recovery Services**

Bank of Utah partners with NXG Strategies to give you professional, one-on-one assistance to dispute fraudulent incidents and repair your identity.
